ALL INTELLECTUAL PROPERTY RIGHTS SUBSISTING IN THE ENCLOSED SOFTWARE, INCLUDING ANY DOCUMENTATION, AND AUTHORIZED COPIES ARE OWNED BY Create it REAL A/S (Create it REAL). IT IS UNLAWFUL TO LOAD THE SOFTWARE INTO A COMPUTER WITHOUT OUR LICENSE. WE ARE WILLING TO LICENSE THE SOFTWARE TO YOU ONLY ON THE CONDITION THAT YOU ACCEPT ALL THE TERMS CONTAINED IN THIS LICENSE AGREEMENT. BUYER'S USE OF THE SOFTWARE INDICATES HIS/HER ACCEPTANCE OF THESE TERMS AND CONDITIONS AND IS BOUND TO THEM. IF YOU DO NOT AGREE WITH THESE TERMS WE ARE UNWILLING TO LICENSE THE SOFTWARE TO YOU AND YOU RETURN THE DISTRIBUTION MEDIA, DOCUMENTATION, AND ASSOCIATED MATERIALS TO THE VENDOR FROM WHOM THE SOFTWARE WAS PURCHASED WITH PROOF OF PURCHASE FOR A FULL REFUND, AND ERASE THE SOFTWARE FROM ANY AND ALL STORAGE DEVICES UPON WHICH IT MAY HAVE BEEN INSTALLED WITHIN 14 DAYS.

1 DEFINITIONS

1.1 "The Medium" means the diskette, CD-ROM, Zip, Executable or other medium on which the Software is recorded.

1.2 "The Software" means the software program and related documentation (if any) covered by this License Agreement.

1.3 "We", "us" and "our" means Create it REAL A/S.

1.4 "You" means the individual or entity seeking to use the Software (the licensee).

2 LICENSE

2.1 This License Agreement contains the terms on which we permit you to use the Software.

2.2 You only have the right to use the Software if the Software has been licensed to you by us or by our authorized distributor or if you have received a valid assignment from someone else (a "Former Owner").

2.3 If you do not have a right to use the Software as set out above, you must not use it, or attempt to assign or grant any license to anyone else.

2.4 If you received the Software from a Former Owner, you cannot obtain any greater rights to use the Software than they themselves had. If you fail to obtain the rights you expected, your remedy will be to issue proceedings against the Former Owner. For example, if the Former Owner did not hold a valid license you will obtain no rights to use the Software from him or her.

2.5 This Software also uses third-party libraries that are distributed under their own terms (see THIRD PARTY LICENSE section later in this document).

3 GRANT OF LICENSE

3.1 If you have a valid right to use the Software as set out above, you may use the Software providing the use falls within the permitted use set out below and for no other purpose. Your license is non-exclusive, does not permit you to sub-license, non-transferable, limited to use according to the active subscription plan.

3.2 To use a Software Product identified as an upgrade, you must first be licensed for the original Software Product identified by us as eligible for the upgrade. After upgrading, you may no longer use the original Software Product that formed the basis for your upgrade eligibility.

3.3 This EULA applies to updates or supplements to the original Software provided by us unless we provide other terms along with the update or supplement. In case of a conflict between such terms, the other terms will prevail.

3.4. No Support. You acknowledge and agree that Create it REAL is under no obligation to provide any maintenance, support, or upgrades for the Software (including, without limitation, any Upgrades). At its sole option and election, Create it REAL may provide one or more Upgrade(s) for the Software over time to include additional functionality. Create it REAL does not warrant or ensure that the version of the Software you acquire will be compatible with any future major or minor release, version or Upgrade of the Software.

4 PERMITTED USE

4.1 This License Agreement authorizes you to load the Software into and use it on a single computer (of the type identified on the package) which is under your control. If you wish to transfer the Software from one computer to another, you must erase the Software from the first hard drive before you install it onto a second hard drive. You will also need to contact your distributor to request a new key for the new computer.

4.2 You may copy the Software for backup, archival and other security purposes and make up to two copies of the documentation (if any) accompanying the Software provided that you keep the original and each copy in your possession, that your installation and use of the Software falls within the permitted use set out in this License Agreement and that all copyright notices and any other proprietary notices found on the original are reproduced on any such copies or partial copies.

5 RESTRICTIONS ON USE

You may not, nor permit others to:

5.1 rent, lease, sub-license, assign, transfer or distribute the license or the Software except as permitted by this License Agreement;

5.2 create derivative works based upon the Software or any part of it or remove, obscure or vary any proprietary notices on or in the Software;

5.3 translate, disassemble, decompile, reverse engineer, modify or otherwise tamper with the Software;

5.4 make copies of the Software, in whole or part, except for back-up purposes as permitted in this License Agreement or adapt, modify, translate or delete the documentation (if any) accompanying the Software or copy the documentation except as provided by this License Agreement.

6 UNDERTAKINGS

6.1 You undertake to ensure that any third party is made aware of the terms of this License Agreement before using the Software.

6.2 You undertake to hold all data (including object and source codes), drawings, specifications, software listings and all other information relating to the Software, confidential and not at any time disclosed the same, during this license or after its expiry or whether directly or indirectly, to any third party without our consent.

7 OWNERSHIP

We shall retain ownership of the Software at all times. You only own the Medium on which the Software is recorded which you may retain, on termination of this License Agreement, provided the Software is erased.

8 INTELLECTUAL PROPERTY

We own the copyright, trademark, trade names, patents and other intellectual property rights subsisting in or used in connection with the Software, including all documentation (if any) and all other copies which you are authorized to make by this License Agreement.

9 WARRANTY

9.1 Subject to clause 9.3, we warrant that the Medium on which the Software is recorded will be free from material defects under normal use and that the copy of the Software in this package will materially conform to the documentation that accompanies it. The Warranty Period is 30 days from the date of your purchase of the Software.

9.2 We shall not be liable under the warranties given in clause 9.1 above if the Medium or the Software fails to conform to the said warranty because of any corruption, abuse or incorrect use of the Medium or Software (including use of the Software with equipment or other software which is incompatible) or because of any variation, modification or addition to the Software not performed by us.

10 DISCLAIMER

We do not warrant that this Software will meet your requirements or that its operation will be uninterrupted or error free. We exclude and expressly disclaim all express and implied warranties or conditions not stated in this License Agreement (including without limitation, loss of profits, loss or corruption of data, business interruption or loss of contracts), so far as such exclusion or disclaimer is permitted under the applicable law. This License Agreement does not affect your statutory rights.

11 LIABILITY

11.1 Nothing in this License Agreement shall exclude or limit our liability for fraudulent misrepresentation or for death or personal injury resulting from our negligence.

11.2 Our entire liability to you in respect of any claim whatsoever or breach of this License Agreement, whether or not arising out of negligence, shall be limited to the amount you paid for the Software.

11.3 In no event shall we be liable to you for any damages, including loss of business, loss of opportunity, loss of data, loss of profits or for any other indirect or consequential loss or damage whatsoever arising out of the use of or inability to use the Software, even if we have been made aware of the possibility of such damages. In particular, we accept no liability for any programs or data made or stored with the Software nor for the costs of recovering or replacing such programs or data.

12 TERMINATION

12.1 The Licensee can terminate this License Agreement before the end of the subscription period paid according to the actual subscription plan. In case of termination, the License Agreement will remain active during the paid subscription period and does not result in the repayment of any payments made.

12.2 This License Agreement will terminate automatically if you breach any of its terms or if you destroy the Software and any copies or return the Software to us or your supplier voluntarily.

12.3 Upon termination all rights you have to use and assign the Software will cease and you must destroy or delete all copies of the Software from all storage media in your control.

12.4 This License Agreement will terminate automatically, immediately and without further notice, if timely payment of the subscription fees for the use of the Software are not in agreement to the subscription plan. In the event of termination for non-payment of subscription fees, the Licensee must immediately cease using the Software and delete or destroy all copies of the Software in its possession. The Licensor reserves the right to pursue all available legal remedies for any unpaid subscription fees, including but not limited to the right to recover damages, interest, and reasonable attorneys' fees. The termination of this Agreement shall not relieve the Licensee of its obligation to pay any outstanding subscription fees owed to the Licensor. The Licensor reserves the right to modify the subscription fees at

any time upon notice to the Licensee. If the Licensee does not agree to the new subscription fees, it may terminate this Agreement in accordance with the terms and conditions herein.

13 SEVERABILITY

If any provision of this License Agreement is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction such provision shall be severed and the remainder of the provisions hereof shall continue in full force and effect as if this License Agreement had been agreed with the invalid illegal or unenforceable provision eliminated.

14 ENTIRE AGREEMENT

This License Agreement contains the entire Agreement between us relating to the subject matter and supersedes all proposals, representations, understandings and prior agreements, whether oral or written, and all other communications between us relating to the subject matter.

15 ASSIGNMENT

If you assign this license you are advised to give the license certificate to the assignee and to give them evidence that you are a valid assignor. Once you have assigned this license, you no longer have a right to use the Software and you should destroy any copies you have of the Software (or give them to the assignee) as you will be in breach of copyright by using them or loading them.

16 GOVERNING LAW AND JURISDICTION

This agreement shall be governed by and construed in accordance with the law of Denmark and the parties submit to the exclusive jurisdiction of the courts of Denmark.
